Re: Gene Henrie DBA Quality Crushing  
File No. S/001/0074

Dear Tom:

Enclosed, please find a request for a site and bond release on the Marie Pit Overburden Dump Pile that was permitted by Quality Crushing with Western Utah Copper Company paying the required bond amount. I am not sure how the funds are being held and if you are going to issue a check for the amount of the release. It can be mailed to Gene Henrie and we will figure out getting the funds back to Western Utah Copper Company. I would appreciate it if you or Penny would advise on how this will be handled if you agree to the release.

His mailing address is:

Gene Henrie  
956 S. Canyon Drive,  
Cedar City, Utah 84720

Any questions or issues, please give me a call.

Sincerely:

Ron Wunderlich
